Comments on Statement of Reasons for Allowable Subject Matter

Sir:

These comments are responsive to the Reasons for Allowable Subject matter set forth in the February 17, 2005 Notice of Allowance. Applicants acknowledge the Examiner's statement of allowable subject matter, however, applicants point out that the reasons for patentability of the claims are not limited to the reasons set forth in the February 17, 2005 Notice of Allowance and additional reasons for allowability may exist, each of which may be independently sufficient to establish the patentability of one or more pending claims. Applicants respectfully reserve their right to introduce, articulate, or otherwise comment on any such additional reasons for patentability as may be appropriate in any future proceedings concerning the claimed invention.
